

Birth announcements

Congratulations on the Birth of your child!

If you would like to spread the news to your friends and neighbors, you can list your baby's birth announcement in The Star-Ledger. This is a FREE service provided by New Jersey's largest newspaper.

What to do....

Your birth announcement will be published in The Star-Ledger's county news sections on Sunday, as soon as space becomes available. Sorry, but we do NOT publish photographs of newborn babies.

Because of the heavy volume of announcements we handle, we cannot provide clippings. To order back issues of The Star-Ledger, call 1-888-STAR LEDGER (1-888-782-7533).
