School test scores: Essex County

The state yesterday released the scores of how students in every public school fared on New Jersey's proficiency tests in language arts, math and science in 2008. Statewide, the tests are given to about 700,000 students in grades 4, 8 and 11. The following are the average passing rates for each school on each test in your county.
(Note: There is no science test for the 11th grade)

DISTRICT FACTOR GROUP Measures district's wealth. A is poorest, J is wealthiest. R is for charter schools.
